Regional Perinatal Programs of California
Request for Application #RPPC 2014
March 17, 2014
ADDENDA # 1

The Addenda is regarding the Regional Perinatal Programs of California (RPPC) Request for Application (RFA) #RPPC 2014 dated February 25, 2014. The California Department of Public Health, Maternal, Child and Adolescent Health (CDPH-MCAH) distributed this RFA to solicit applications from eligible organizations to administer the RPPC program in designated regions in California. The information that requires correction in this RFA and related Attachments and Appendices are as follows:

Table of Contents. Attachment 1 Funding Application

Page 2 List all federal, state, and local grants, contracts, and agreements for generic maternal, child, and adolescent health services for which you have applied for FY 2014-2016 **2017** funding.

Table of Contents. Appendix 1 RPPC Regions and Hospitals

Appendix 4 has been updated and is available online under the heading of Appendix 1. Go to the link below to access.

Section 1.E.2.Number of Awards

The CDPH expects to award cooperative agreements to eligible and qualified applicants that have greatest capacity to achieve the program goals. Cooperative agreements will be for a ~~two~~ **three**-year period. CDPH reserves the right to determine the level of funding to be awarded within the available funding and the need of the community.

Section II.8.2.c.2. Operating Expenses

Deleted because it is duplicative of directions in Section II.8.2.b.

~~2)Training: The training costs associated with RPPC sponsored and non-RPPC sponsored training. This line item includes registration fees for conferences and tuition for training.~~

Section II.8.2.c.3 Operating Expenses

3)Software: This software must be necessary and used toward fulfilling the terms of the agreement. Examples of software include: Software license fees and software upgrades. Applicant must possess current software to allow for easy flow of communication between the Applicant and MCAH. All software purchased with MCAH funds must meet or exceed the following standards established by CDPH.

Section II.8.5.c Indirect Costs

Item c. is deleted because RPPC does not match Title XIX funds.

~~Applicant indirect costs that are above the 10% reimbursed by state funds may be funded with qualifying Applicant money to draw down Medi-Cal Title XIX matching funds under the Other Costs Detail Section.~~

Section II.B.3.c. Format Requirements:

~~Sequentially paginate the Number the pages in each the application sequentially section, excluding the Appendices and Attachment Sections.~~

Exhibit A (formerly Appendix 2), Scope of Work

Major Functions, Tasks, and Activities 1.6.1:

Conduct an annual site visit with each hospital within the region and provide resources that can assist with identified QI issues. Birth facilities with less than 200 births per year and border hospitals that send transports primarily out-of-state may receive telephone consultation, but should be visited once, within the ~~two~~ **three**-years of the contract.
